foreword

To achieve and maintain a sense of uniqueness in a society stressing conformity is a challenge with which each of us must contend. In the past, we, as a generation, have been described by others as nonconformists, dissidents and sometimes, revolutionaries. As individuals, however, they did not know us, and neither did we know ourselves. Now, in the final stages of adolescence, we must realize who we are and who we wish to become. Only in this way can we accomplish our future goals and

finish what we have begun in our youth.

*The world is a beautiful place
to be born into
if you don't mind happiness
not always being
so very much fun
if you don't mind a touch of hell
now and then
just when everything is fine
because even in heaven
they don't sing
all the time*

*The world is a beautiful place
to be born into
if you don't mind some people dying
all the time
or maybe only starving
some of the time
which isn't half so bad
if it isn't you*

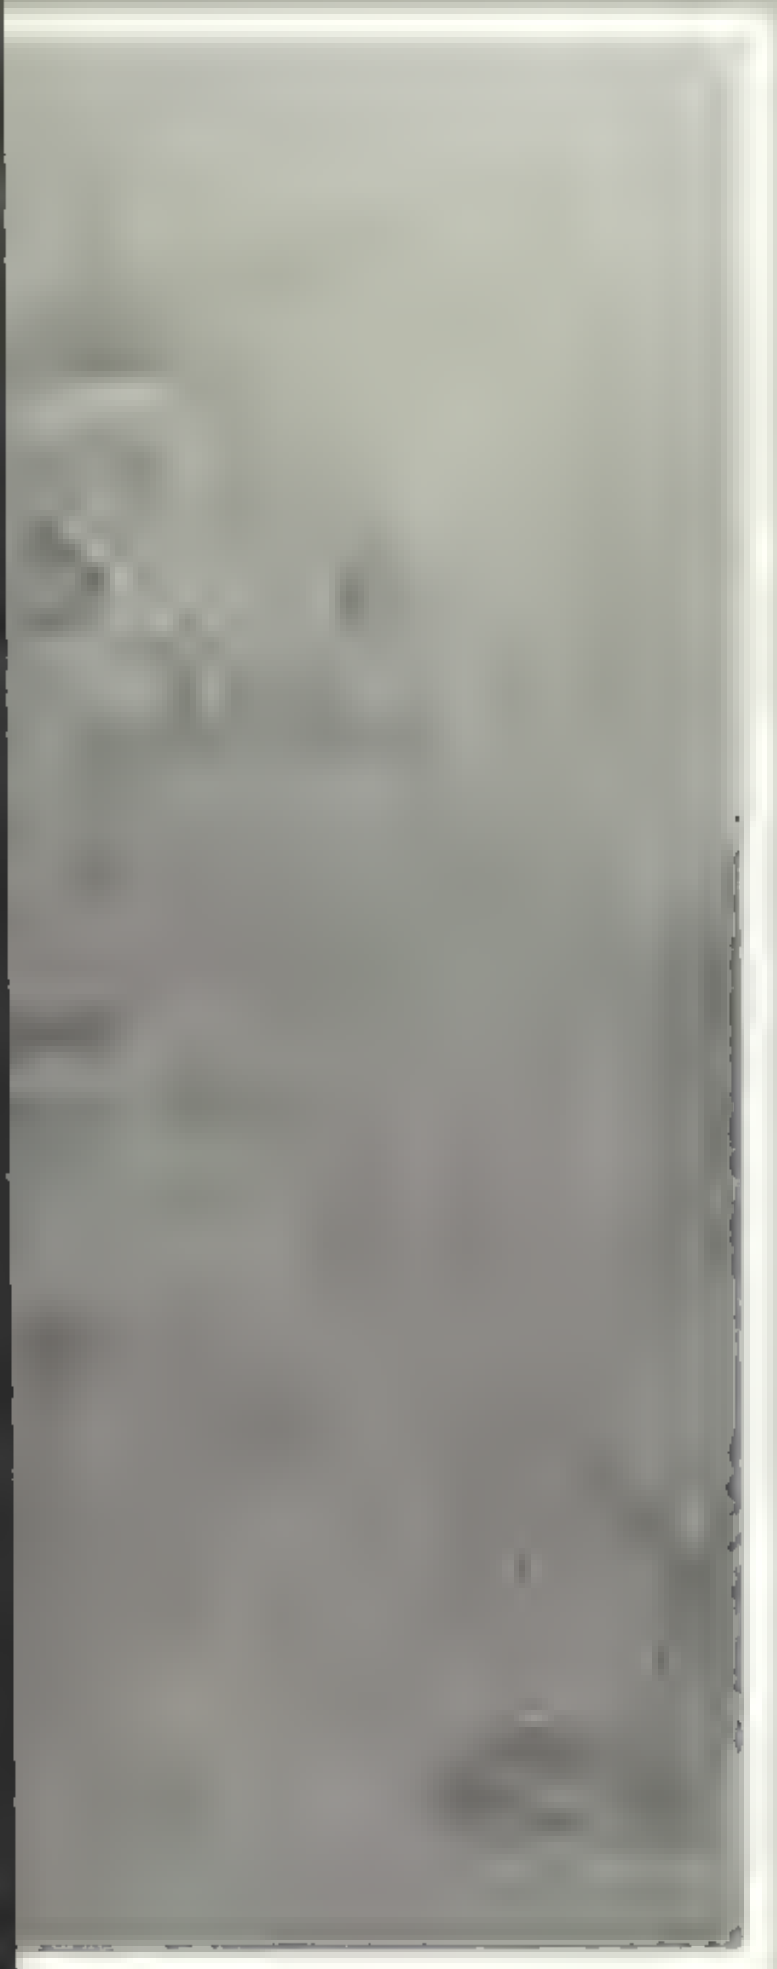

*Oh the world is a beautiful place
to be born into
if you don't mind a few dead minds
in the higher places
or a bomb or two
now and then
in your upturned faces
or such other improprieties
as our Name Brand society
is prey to
with men of distinction
and its men of extinction
and its priests
and other patrolmen
and its various segregations
and congressional investigations
and other constipations
that fool flesh*

*is heir to
Yes the world is the best place of all
for a lot of such things as
making the fun scene
and making the love scene
and making the sad scene
and singing low songs and having
happiness
and walking around
looking at everything
and smelling flowers
and feeling statues
and even thinking
and kissing people and
making babies and wearing pants
and waving hats
dancing
and going swimming in rivers
on picnics
in the middle of the summer
and just generally 'living it up'*

*Yes
but then right in the middle of it
comes the smiling
mortician*

Office tasks are handled efficiently by the C.H.S. clerical staff

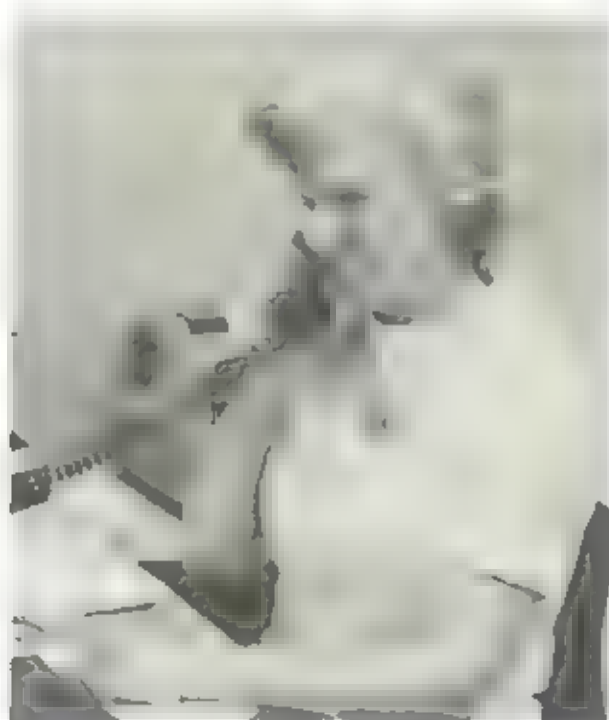

Managing the diverse administrative tasks of all the school offices is the main concern of Clifton High School's clerical staff. Each day, they handle endless streams of telephone calls, records, reports and memoranda with efficiency and congeniality.

Data Processing Department: Mrs. Eleanor Johnson, Mrs. Margaret Odams, Mrs. Helen Doescher

Request for audio-visual equipment receive careful attention from Mrs. Marion Urban

Visitors to the Main Office are normally welcomed by Mrs. Marie Murphy (left) or Mrs. Teresa Weber (right)

There is no such thing as making one can of soup in the cafeteria— It comes in gallons

The cafeteria

offers a diversified

and nutritious menu

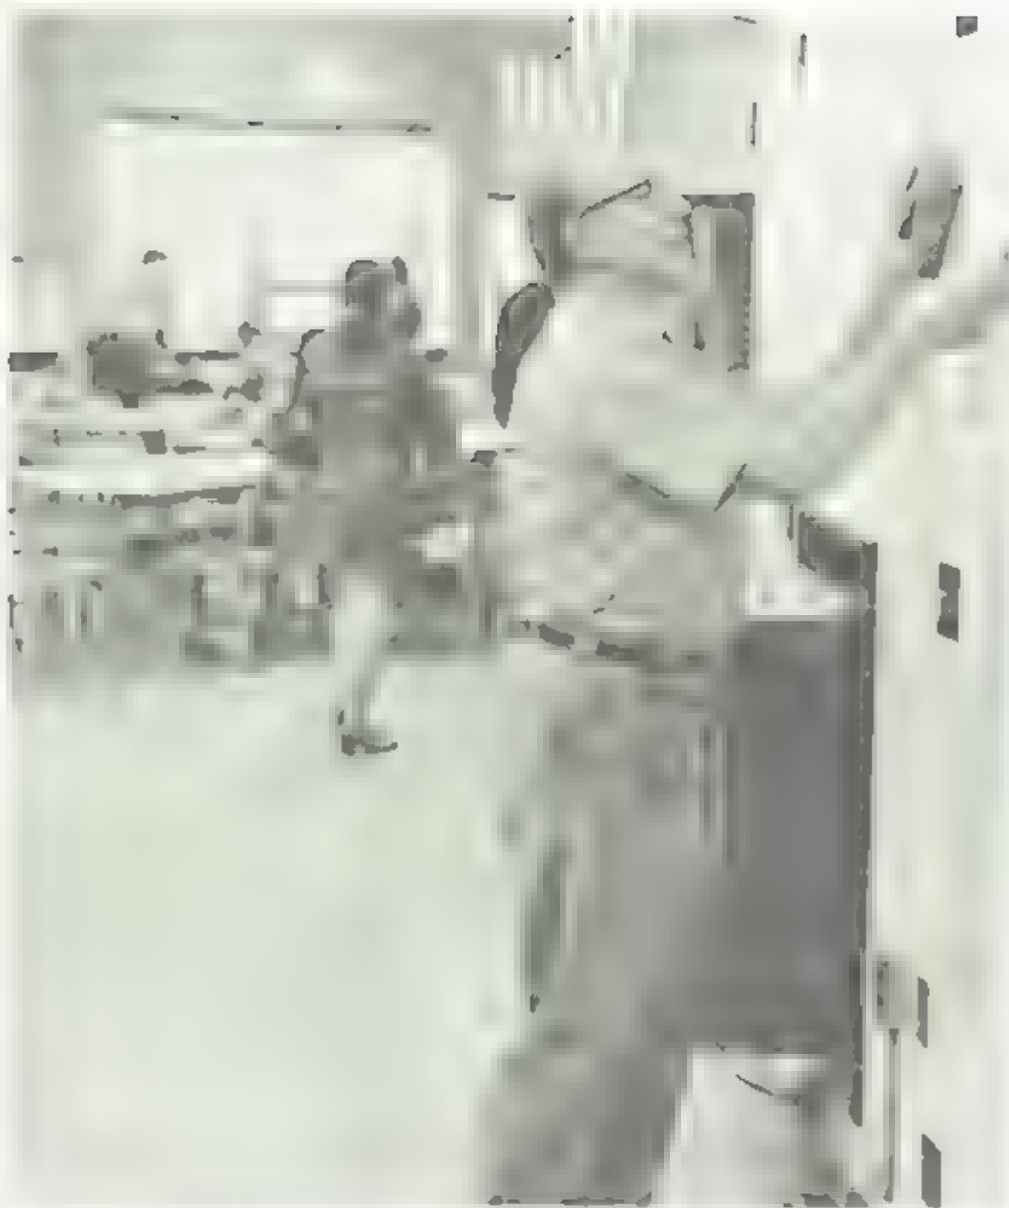

The next-to-impossible job of satisfying 3,200 appetites is accomplished by Mrs. Gladys Oeser and her cafeteria staff. Working behind the scenes, these women daily prepare lunches that are varied and of sound nutritional value

The finished products go on the line in the faculty cafeteria

The cafeteria's supervisor and meal planner: Mrs. Gladys Oeser

Even before the last students leave, Mr. Edward Malec is busy cleaning the cafeteria for the next day.

In the late afternoon quiet of C.H.S., Mr. Charles Caviani makes short work of cleaning a chalkboard.

Custodians maintain a campus conducive to learning

Providing a clean, healthy and safe atmosphere for an institution as large as Clifton High School is no easy task. Yet, the custodial staff, headed by Mr. James Capuano, performs its various duties promptly and efficiently, giving the campus an environment conducive to learning.

"Which way do we go?", might be the question here

Mr. James Capuano, Head Custodian.

in memoriam

In describing Harry, the most fitting thing to say would be that Harry was "life." His unique personalty made it difficult for someone not to like him, and very easy for so many to love him as they did. Perhaps Harry was taken from us because he was deserving of a world better than our own.

HARRY WEIR

JAMES DUGAN

*In the depths of your hopes and desires
lies your silent knowledge of the beyond;
And like seeds dreaming beneath the snow,
your heart dreams of spring.*

*Trust the dreams, for in them is hidden
the gate to eternity.*

déjà vu . . .

We were not as others had been.
Sophomores, yes, but different in
the way we thought and acted
Although there were initial
anxieties—unsteadiness in the face
of upperclassmen
academic uncertainties
people, people, and more people
an inner self-confidence prevailed.
We became involved.
Idealistically (and some say foolishly) we
wanted immediate changes in
attempting to secede from the
S.C.A. . . . A first in a
series of unnerving experiences for
our new, but understanding, vice-principal.
Everyone, however, adjusted somewhat to
the routine of high school life:
term papers, assemblies, film
festivals (how can we forget
Julius Caesar?), newfound friends,
rules and regulations, and of
course our student lounge
(one chair per one hundred
students (?).
Some things we accepted and others
we fought to change—
remember the saliva drug
test and the controversial
sex education debates?
June rapidly approached, turning our
thoughts from study to when we
would return as Juniors . . .
It seemed to be a year of
never-ending Saturday morning tests:
P.S.A.T.'s, S.A.T.'s, the N.M.S.Q.T.'s.

Class history

Preliminary investigations into colleges, careers, and even ourselves began.

Questions concerning our future, our capabilities and our dreams arose and frequently remained unanswered.

We understood and expressed our ideals on October 15, 1969—Moratorium Day and on April 22, 1970—Earth Day—each in his own way.

Together with the usual excitement of receiving class rings, something equally important occurred . . . Imagine

having the dress code abolished! One step toward a more relaxed informal educational atmosphere. "Traces" of a junior prom was held for the first time, at the Mountainside Inn. Gone was the feeling of attending ninth period gym class in formal gym suits.

As always, the prom marked the end of the school year . . .

Only Girls Citizenship Institute, Girls' State, Boys' State, and Honor Guard representatives were left to be chosen.

Again, the critical world situation permeated Clifton High's boundaries. Students became aroused—for and against—the Cambodian invasion and the Kent State shootings.

But, somehow, the year drew to a close and soon we were finally

Seniors . . .

Probably the most important, exciting and memorable year of high school.

A final completion of applications for college, trade school, scholarships, and jobs.

Our last S.A.T.'s, Achievement and vocational tests . . . only the nervous anticipation of acceptance (or rejection) remained.

Honors came from all directions:

The band victoriously returned from Holland

three of our scholars appeared on "It's Academic"

and the Distributive Education program again made it to the top.

As usual, controversies erupted within the school: the installation of a resource officer on campus,

concern over our Humanities program,

a boycott for open lunch.

Memorable assemblies included presentations on Negro culture, and our threatened environment.

A final vote was taken and we decided to continue wearing gowns for graduation . . .

It is a time of contemplation. A time to remember the past, to live the present, and to anticipate the future. We have grown and must continue to grow so that we will be able to reach out for life and confront its many challenges.

Clifton High School offers a variety of courses to fit the needs of most individuals. Areas of study include Business Education, College Preparation, Cooperative Occupational Trades, Distributive, and General Education. Once the student has chosen his area of concentration, he may supplement it with library and lab facilities

During the three years that the Class of '71 has been at C.H.S., a number of new programs have been added, enabling students to expand their knowledge through advanced courses. Included are Chemistry II, Physics II, Clothing II and Crafts II. Additional innovations have included rapid Writing/Typing, and Fashion Design. Presently in the formative stages is a course on the modern novel.

Though not often thought of as part of the curriculum, assemblies provide exposure to ideas and a variation in the daily routine. Among the 1970-71 assemblies were programs on African culture, citizenship, and performances by school musical organizations. Completing the academic picture are after-school clubs and enrichment programs in most areas of study

*... So live, that when thy summons comes to join the
Innumerable caravan which moves to that mysterious realm
where each shall take his chamber in the silent halls of death,
thou go not like the quarry-slayer at night, scourged to his
dungeon, but, sustained and soothed by an unfaltering trust,
approach thy grave, like one who wraps the drapery of his
couch about him, and lies down to pleasant dreams.*

Combining music with a visual presentation, the Mustang Band offers the overture from the rock opera Tommy to a Saturday afternoon football audience.

The activities program: changing to answer

The individual student at Clifton High School can often feel insignificant and small among the throng. Each, however, can somewhat assert his or her individuality through the various clubs, organizations and co-curricular activities offered. Through participation, students are able to fulfill their interests, satisfy curiosities, develop their personalities and broaden their educations.

Activities encompass all areas from the cultural and academic to the athletic. For those wanting to serve the school and community there exists the Key Club, Keyettes and School Spirit Committee. As extensions of the academic curriculum, groups such as the Jerseyman Club and Student Communications Group serve as springboards for discussion and extend the opportunities available for individual expression.

Hub Takes on A New Look

Each month the *Hub* is published under the direction of Mrs. Patricia Zalesny. School functions and sports events are covered by newspaper reporters and photographers with editors proofreading and rewriting all stories and designing page layouts.

This year the paper assumed a different face by publishing its recent additions in six page newsprint spreads. Innovations continued with diversified articles and editorials. In this way, the staff hopes to satisfy the varied reading tastes of the student body.

KEY CLUB

Clifton High School's Key Club is one branch of a national organization of high school organizations sponsored by Kiwanis International. In their role as a community service group, the chapter recently received state honors for an anti-drug film produced completely by the students at Clifton High. At the present time, the club is planning to invite an exchange student from Nationalist China to Clifton during the next school year. Regular club events include fund-raising efforts and assistance at school functions. Mr. Peter Lore is advisor to the Key Club.

KEYETTES

In their role of service organization, the Keyettes work to help others through a variety of activities. The annual Halloween collection for UNICEF, the United Nations Children's Fund money for overseas work, while another fund drive provides help to an area orphanage. Once a week, Keyettes volunteer their time as lifeguards so that blind children may swim at a local pool. Advisors to the Keyettes are Miss Jeannie Pagano and Miss Nancy Cagna.

On stage at the Keyette Fashion Show is Robin Santin.

LANGUAGE CLUBS

Students broaden their knowledge of foreign lands through membership in the various language clubs. With a separate organization for each language, interested students study the customs of the people behind each of the foreign tongues. El Mundo Hispanico this year set up a Latin-style night club around the Christmas holidays to enhance the mood at one meeting, and the Latin Club has long been known for its Roman "orgy" at the close of the year.

der Deutsche Verein

A black and white photograph of a group of approximately ten people, likely a choir or a group of students, standing in front of a banner. The banner features the name 'GEORGE WASHINGTON' in large, bold, capital letters. The group consists of both men and women of various ages, dressed in formal or semi-formal attire. They are arranged in two rows, with some individuals standing and others possibly seated or kneeling in the front. The background is dark and indistinct, focusing attention on the group and the banner.

THE JERSEYMEN

Interest in the past and present affairs of New Jersey is the prime criterion for membership in the Jerseymen. Under the sponsorship of Mr. Francis Hopkins, the club uses guest speakers, films, and local field trips to explore the history and makeup of the Garden State. The principal trip this year was a visit to the Dey Mansion in Totowa.

NATURAL HISTORY CLUB

The Natural History Club's purpose is promoting interest in the field of plant study. Recent field trips have been to the Bronx Botanical Gardens and a local apple orchard. Other activities include a proposed camping trip, in addition to a seed-selling campaign to finance the maintenance of the club's greenhouse. Mr. Theodore Merkooloff advises the club.

Individuality Oneness

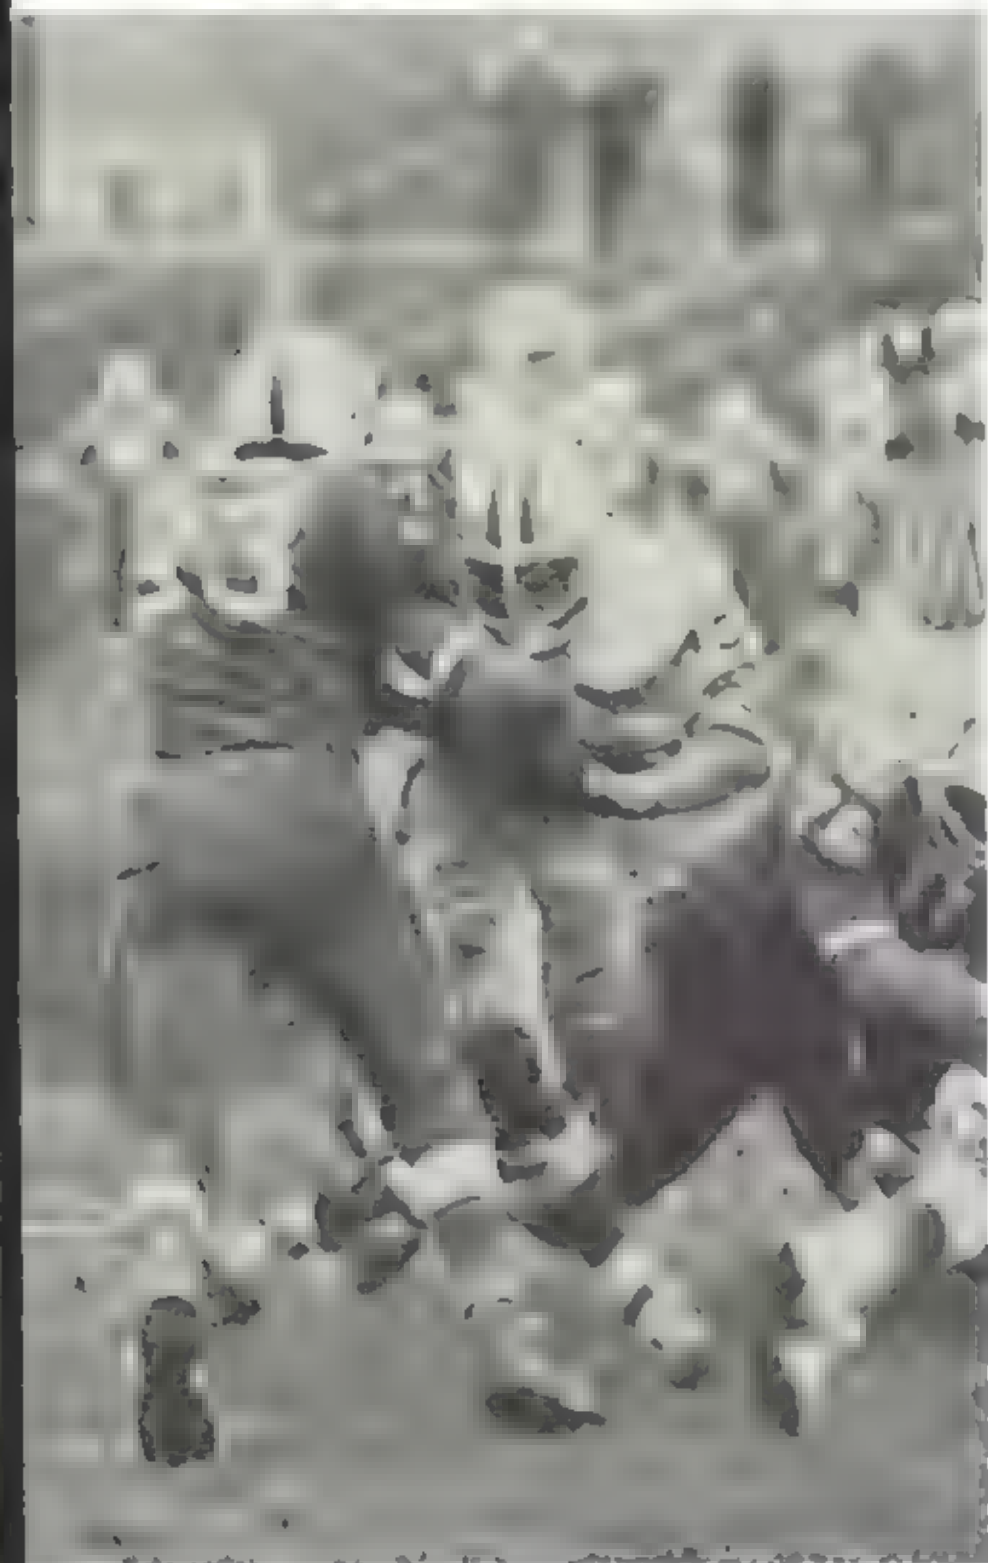

Individuality is as much an integral part of the sports scene as it is in any other aspect of school life. In keeping with this theme, presented on these two pages are those four athletes who, although part of an entire team, have displayed a distinctive quality of high performance under pressure and have proven that individual and team efforts can work cohesively together to bring glory to Clifton High.

An effective scorer and adroit dribbler, powerful center forward Ziggy Moka led our offensive attack and was named to the All-State and All-Conference teams.

The Most Valuable Player on a powerful basketball squad, Rich Conrad broke through defenses, found the open man, shot the net off the hoop, and earned a berth on the All-Area team.

A great competitor since his sophomore year, Joe Schiavone proved his ability at both offensive and defensive tackle by being named to the All-State first team.

Our school's greatest long-distance runner, Mark Vernacchio was one of the best in the state and gave the cross-country team inspiration for every meet.

FOOTBALL

Considering the fact that our Mighty Mustangs did not win another state title, the season may have seemed disappointing to some. Yet, we did win the P.V.C crown once again, but lost the group 4, section 1 state title by "this much" to Wayne Valley and placed five members on post-season first teams.

As the season began, it became clear that Clifton once again had a powerful team. The offense was running like a well-oiled machine, working behind the brilliant running of Paul Pignatello and the one-two punch of Jim Turano and Jim Melzer.

The murderous Clifton defense was, as in other years, superb against the rush. With Roy Brunett and Ray Butts pinching in from the sides, Joe Schiavone charging up the middle, and Dave McPeck plugging the eyes backs from inside, the were led. Then, when in desperation they took to the air, Russ D Arpa was there to pick the ball out of the hands of the would-be receivers. Most of the teams in the PVC offered no competition to our men, but two tough out-of-conference foes gave us a pair of heartbreaking defeats. Bloomfield won at home 13-7 as we fumbled away two touchdowns, and Nutley edged us to the tune of 14-12.

Although the great majority of starters are graduating seniors, our second team, made up primarily of juniors, gained experience and will carry on the Clifton winning tradition next season.

SOCCER

The 1970 Mustang soccer squad faced many disappointments in a rebuilding year, but exhibited player strength in the number of individual post-season honors won by team members. The booters, under the direction of Coach Severin Palydowycz, had gone to a 4-2-1 mark at mid-season, including a massive 9-0 route of Cliffside Park, but fell to their opponents eight more times before the season's end to settle for a 4-10-1 season's record.

Led on offense by seniors Ziggy Maka and Massimo Marinaccio, and juniors Pasquale Castaldo and Stanley Babula, they were backed up at midfield by halfbacks Mike Czura, a junior, and Casey Lasek and Rich Saporita, both seniors. Forming the defensive unit were senior fullbacks Steve Klics, Rainer Klupsch, and Mike Dzwinczyk, and guarding the net was senior Gary "Turk" Macaryan. Doing a fine job at the goal when "Turk" was injured was Ron Mornan, another senior.

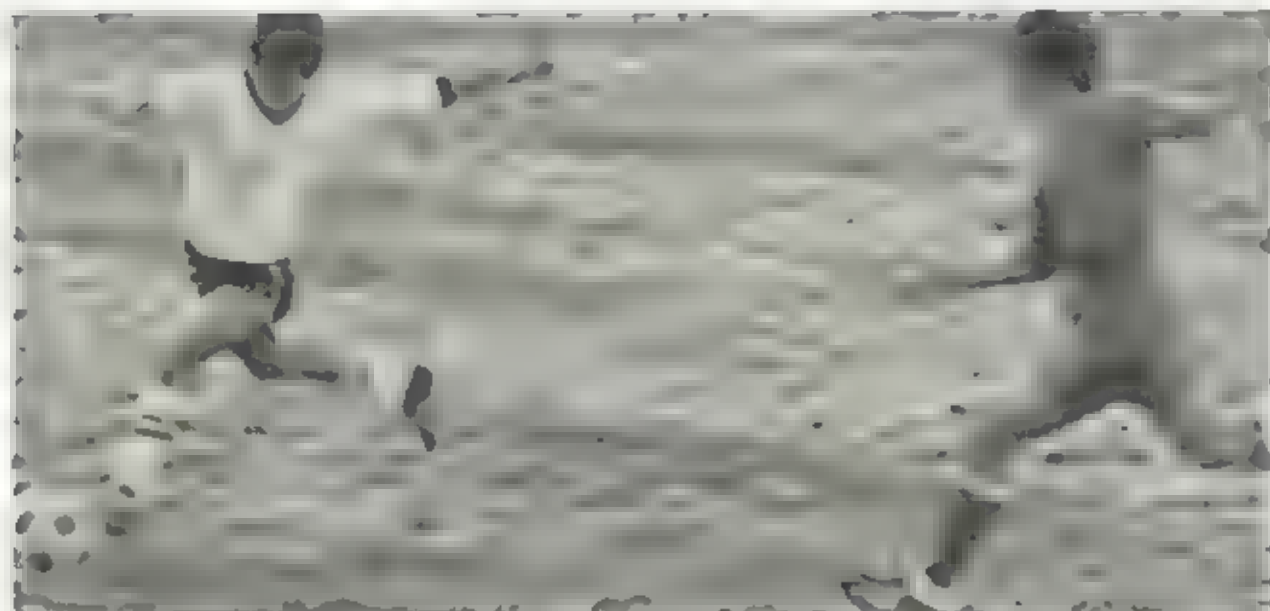

As an indication of the extent to which our team was respected despite our inability to score clutch goals was the fact that two of our players, forward Maka and halfback Czura, were chosen as two of the eleven best high school soccer players in the State through their selection as members of the All-State first team. Also, while their P.V.C. record was 0-7-1, our players were chosen by league coaches as more than one-third of the All-Conference first team. The four who won that distinction were Maka and Czura, as well as center fullback Steve Klics and right wing Pasquale Castaldo. Honorable mention in the P.V.C. selections was given to Rich Saporita.

With returning strength on varsity and a number of up-and-coming J.V. stars, prospects look excellent for a return to the Conference title once more next year.

All-State junior Mike Czura and his fellow halfbacks provided a strong backup to the Mustangs' front line.

CROSS COUNTRY

Coach Edward Zak's cross country team registered an 11-1 won/lost regular season record enroute to one of its best years. The team captured 34 medals (13 individual and 21 team). In addition, the harriers copped first place honors in both the Passaic Valley Conference championships and the Passaic County Competition.

The team, which placed second in the sectional meet and fifth in the state, was led by senior standout Mark Vernacchia. The captain set two Clifton High School records, 12:30 for the Garret Mountain course and 12:50 at the Clifton Stadium path.

BASKETBALL

The 1970-1971 Mustang basketball team proved that team play wins games. With three of its starting players, Don Sisto, Rich Conrad, and Bob Harboy scoring an average of 15 pts. per game, the hoopsters rolled up eight straight wins before bowing to Passaic in the State Tournament Semi Finals.

Led by *Herald News* all-area forward Rich Conrad, the Mustangs rolled to a 16-7 record with two state tournament wins, including an upset victory over N.N.J.I.L. champ Teaneck. The boards were controlled by Don Sisto (15.0), Bob Harboy (13.0), and later Ken Bradford (8.0 rebounds).

Clifton, which finished third in the P.V.C. placed two men on the P.V.C. First Team Don Sisto and Rich Conrad. Bob Harboy made honorable mention. Clifton's fine play should also be attributed to John Paloloni, Ken Jurcisin and Mark Kosuth.

Bob "Hutch" Hutchinson ties up an Eastside opponent.

The 1970-1971 varsity wrestling team finished its campaign not as a winning team, but one comprised of a number of outstanding individuals. While their season mark was one of two wins and ten losses, the squad fielded two undefeated grapplers in Joe Schiavone (10-0 during the season) and Bob Hutchinson (9-0-1). In the Holiday Tournament, C.H.S. took second place honors, and placed two men heavyweight Schiavone and 136-lb. Captain Bruce Martin, on both the All-P.V.C and All-County teams. Hutchinson made second team in both of those selections.

In spite of the lack of student participation through attendance at matches, the team members had the desire to win and put out a great deal of effort in their matches. The finest example of this was that of Joe Schiavone, who advanced in the Group IV State Championships to a second place finish in Section 1.

The Mustangs, guided by Coach Robert Campo, also had the distinction of scoring the highest team 3-game total (2774) and the season's third highest individual 3-game series, Ken Hockey's 656.

Senior Hockey and junior Jim Heinold, both with season averages in the 180's, led the squad to its many victories, and Heinold with his fellow juniors is expected to make a strong challenge for the State Champion Honors once again next year.

The bulk of the swimming for the Mermen, who held home meets at the Clifton Boy's Club pool, was done by seniors Werner Zieger, John Hamil, and Bill Magid in the various free-style events. Sophomore John Pruett provided the team with a strong base for future years as he excelled in the individual medley.

TRACK

The 1970 Mustang Track team registered an unblemished season record of eleven wins and no defeats. Coach Ed Zak's cindermen were led by standouts Daniel Chinich, Bart Ingraldi, Gary Taylor, Jeff Miller and Tom Ermenville, whose performances in their respective events eased the team to its string of victories.

After an extremely close meet with Fairlawn, the Mustangs "ran" on to ten consecutive easy victories. Bill Gibson set both a school and Passaic Valley Conference record in the pole vault, while sophomore Gary Taylor provided promise for the future, as he consistently placed at or near the top in the 100 and 220-yard dashes.

BASEBALL

Although only placing third in the Passaic Valley Conference, Clifton's nine displayed a number of brilliant games in compiling their season record of 11-5. The team was led by ace hurlers Jim Melzer and Rich Waller, while Paul Pignatello, Bill Ingraham, and Doug Kleber provided the spark for the Mustang's offensive attack. During the season, the team got off to a slow start, but came back and almost won the conference title. However, the squad tired, and in the final stretch failed to keep up with the first place Lyndhurst nine. This year features the return of almost all of last year's lettermen who appear to be able to bring a baseball title to Clifton High.

As the season progressed, the team dominated every opponent, went on to win the PVC crown and was invited to the State Tournament. In the first round Clifton swept by Teaneck 5-0, but lost to Ramapo in the next match. GOLF

The Clifton High School golf team ended its 1970 campaign with second place honors in the Passaic County Interscholastic Golf League. Their season record of eight wins (including two shutout matches), one loss, and one tie, their only loss being to the league champion Wayne Valley team, can be mostly attributed to the fine match play of Roger Race and his fellow varsity teammates, Ken Proman, Steve Freedman, and Lou Biancone.

The linksman play a twelve-hole "loop" at the Passaic County Golf Course with other members of the League. They will once again, under the leadership of Coach Joseph Musciotto, attempt to cop the League crown.

Stickmen display exciting premier season

LACROSSE

A small but determined group of athletes made the 1970 lacrosse team, Clifton High's first, the fair success it shows in its 5-6 record. No one on the team had played the game before last year, when Mr. Steven Picker assumed his duties as the lacrosse coach. Beginning with the extreme basics of lacrosse, he formed the students into a hustling team, their lack of skill being more than compensated for by their enthusiasm.

Still growing, the lacrosse team began the 1971 season with a strong nucleus of returning lettermen including Roy Brunett and John Hamil, defensemen, Kevin Obermiller and Werner Zieger at mid field, and Captain Bill Randall and Rich Hascup at attack positions. Also in 1971, a new coach for this sport, Mr. Dave Barton, was added to further reinforce the team. The squad is building itself also within the junior and sophomore ranks, and winning seasons are anticipated throughout the team's formative years.

look to tomorrow*

JUNIOR VARSITY

As each season ends and the teams begin to recall with nostalgia their best, their worst, or their most exciting performances, the future must also be considered. This is where the stars of the future play an important role in sports. Although the team may not have directly succeeded with their help, it is always a coach's dream to have a superb substitute or backup man who will always be there to help lift the team's spirits. This year's J.V. stars are next year's glory and now is the time to watch and predict what will happen when today's unknowns become tomorrow's heroes.

CHEERLEADERS

Symbolizing the enthusiasm at Clifton High School, the cheerleaders spiritedly urge the football and basketball teams to victory. Seven senior girls, in addition to six juniors, are selected annually for the varsity squad. Sponsored by Mrs. Patricia Zoeller and captained by Jane Galofaro, these 13 girls display their excellent gymnastic form and cheering talents for thousands of spectators each year.

The junior varsity squad consists of eleven juniors and sophomores, advised by Mrs. Joanne Evans. Besides providing organized spirit, the J.V. cheerleaders serve as a training ground for the future varsity squad.

A touchdown sparks enthusiasm in cheerleaders Joyce Wilkofsky and Debbie Giovenco

Smiling faces catch the photographer's eye as cheerleaders await the players' introduction.

Cheerleaders set the pace for fans prior to the Clifton-J.F. Kennedy game. Incidentally, we won.

GEORGE ELIOT

Then but I wait beside you
I have come here to lose the fog
And I feel to be a cog in something turning
Well maybe it is just the time of year
Or maybe it's the time of man
I don't know who I am
But life is for learning.
